

BUSINESS MATTERS

DAISY User Meetings - we still have room for you!

We will be featuring new software updates, enhancements and addressing your questions and concerns. Take advantage of this opportunity to gain more knowledge and enhance your DAISY experience. Remember, these meetings are **free of charge** to all DAISY users.

You asked. We delivered.

DAISY 4.5 is right around the corner. We are excited about this update because we know it's all about the *little things* that help you with your daily workflow. It's one of the ways that DMC delivers.

The Account and Patient windows now display a star symbol next to the patient's primary phone number for appointments.

If your office would like to be one of the first to receive DAISY 4.5, contact DAISY support and let us know. Stay tuned for more sneak peeks in next week's Business Matters.

Benefits of digital attachments:

Faster delivery, unlimited use
No more "lost" attachments
Use any digital imaging system

Are you still on Windows XP?

Microsoft officially ended support for the Windows XP operating system on April 8, 2014. No new security updates, fixes or patches are available for Windows XP. As time passes, Windows XP computers are becoming more and more vulnerable to viruses and hackers. Antivirus/anti-malware software is not enough.

To be clear, Microsoft is continuing to support their own antivirus and anti-malware products that run on Windows XP (e.g. - Microsoft Security Essentials), but they will not support the Windows XP operating system itself. It is very important that you upgrade or replace your Windows XP computers soon.

Consider DMC before purchasing new computer equipment from a third party. We configure and support the high quality DELL equipment that we sell, optimizing it for your DAISY software. DMC is your one-stop resource for purchasing new computers, including servers, workstations and standalone systems. We can also assist you with selecting dual displays, digital x-ray options, and much more.

Contact Kristin Ford at 503-952-4716 or kristin.ford@dmcdental.com for a hardware consultation.

Win a \$100 VISA gift card!

DMC is always looking to enhance our products and services. We appreciate your feedback and are interested in hearing from you. Please take a few moments to complete the following survey for your chance to win a \$100 VISA gift card.

BUSINESS MATTERS

Improved patient care through advanced diagnostics

Don't miss an opportunity for 4 CE credits and a chance to learn the latest about digital diagnostic technology from Dr. Vijay Parashar.

- The latest in 3D technologies
- Real clinical applications of 2D/3D
- Find out which solution is right for you
- How to increase patient treatment acceptance
- Learn how to limit your liability
- Installation, training and support examples

Vijay Parashar, BDS, DDS, MDS

*Associate Professor, Oral & Maxillofacial Radiology,
Midwestern University, Glendale, AZ*

Dr. Parashar currently serves as head of radiology at the rank of associate professor at Midwestern University of Arizona. He is a diplomat of the American Board of Oral & Maxillofacial Radiology. He received his DDS from the University of Detroit Mercy (UDM) and completed his MS and certification in oral and maxillofacial radiology in 2006 from University of Connecticut. He is the recipient of the Howard Riley Raper Award in 2008 and the William H. Rollins Award for Research in 2012. Dr. Parashar has served as chair of the oral radiology section of the American Dental Education Association and is chair of the Pierre Fauchard Academy, Arizona section. He has interpreted over 5,000 cone beam scans and planned over 4,000 dental implants.

Friday, June 5, 2015

9 a.m. - 2 p.m.

Moda Tower

601 SW Second Ave.,

Portland, OR 97204

From the Managing Director

Customer service goes beyond responding to phone calls and providing answers to questions. At DMC we believe in a comprehensive approach to customer support and call escalation.

Our support team is fully trained to respond to inquiries about the DAISY system and associated features, functionality and technical configuration. The support team has access to our internal team of experts that can assist with troubleshooting and problem solving.

We also offer a variety of options for contacting DMC. Our customer support help desk is open from 8:00am - 5:00pm. We can be reached by phone at 800-368-6401, Live Chat and email at daisysupport@dmcdental.com.

Call us, we are always happy to assist you.

Nancy Avery, Managing Director

Monday – Friday 8 a.m. – 5 p.m.
